

## **Apprenticeship Opportunity**

**W.W. Doherty & Sons Ltd, Adare, Co. Limerick** are involved in the sales and service of agricultural tractors, tankers, and grass machinery. We currently have a requirement for an **Apprentice Agricultural Mechanic**

### **The role:-**

Agricultural Mechanics are involved with fault-finding, repair, overhaul and maintenance of tractors and farm machinery. The skills developed overlap with those of other crafts within the motor trades.

### **Personal Qualities:-**

To train as an Agricultural Mechanic the student will need to have a technical ability, strong computer skills and must be good at problem solving. It is very important that they can diagnose faults and repair them quickly. The student will also need knowledge of mechanical and electrical systems along with good communications skills.

### **Educational Requirements:-**

The minimum age at which the employment of an Apprentice may commence is 16 years of age and the student will need Grade D in five subjects in the Junior Certificate. The overall duration of this Apprenticeship is a minimum of 4 years provided all phases are successfully completed and the learner is awarded a QQI Level 6 Advanced Certificate Craft – Agricultural Mechanics.

We are happy to speak with or meet with any student who satisfies the above criteria. Contact the office on **061-396376**, email through a CV to [sales@wwdoherty.ie](mailto:sales@wwdoherty.ie) or alternatively speak directly with Roland Doherty on 087-2679996.
