

Lockdown Learning Initiative

27th April - 1st May

Wednesday: Wander

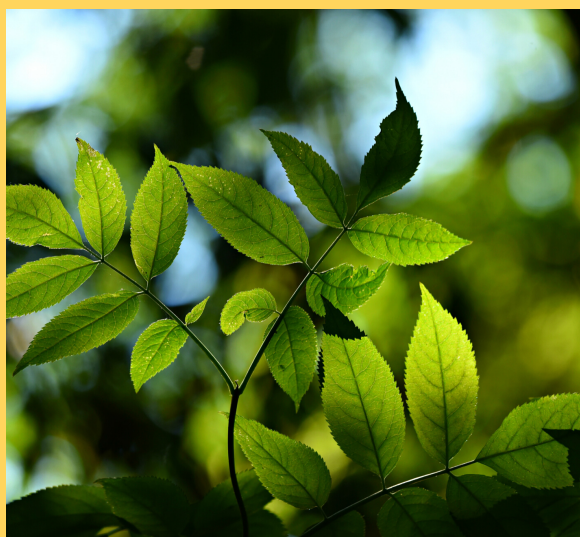

The important thing is not to stop questioning. Curiosity has its own reason for existing.

— Albert Einstein —

Academic Challenge: Questions to begin every study session:

... because this is our main business...

- What do I know about this topic already?
- What is the essential learning required for this topic?
- What further information would enhance my answer?
- How does this topic link with other topics?

Nature Challenge:

because learning is not all

about the books...

Watch this short nature video clip .Can you identify the birds in your garden by their song?

Social Interpersonal Challenge:... can you learn something new about those you live with?

Relationships with family members require much patience and understanding. Pick a family member. Ask what is pleasant or difficult for them about this time of lockdown. Use the information to inform your own actions and improve family life.

"Remember to look up at the stars, not down at your feet.

Try to make sense of what you see, and wonder about what makes the universe exist.

Be curious."

Stephen Hawking

A More Beautiful Question.com

I THINK.
I QUESTION.
I DESIGN.
I CREATE.
I STRUGGLE.
I COLLABORATE.
I TRY.
I SOLVE.
I INVENT.
I REFLECT.

I LEARN.
