# THE EVENT

**CAREER PATH EXPO 2021** is a education expo that will enable 2nd level students and school-leavers to gather all the information they need about their next steps after secondary school. The event will feature education, skills and careers – giving students the full range of information about universities and colleges, 3rd level and PLC courses, apprenticeships and career opportunities with companies that employ school-leavers. The event will take place on 20th and 21st January, 2021 and will provide all the information second level students will need to make good decisions about their further and higher level studies in advance of the closing date for applications to the CAO on 1st February.

*This virtual, 2-day event will be of key interest to senior cycle students, their parents, guidance counsellors in schools nationwide and those seeking information about colleges, courses, study and training and further education options after the Leaving Certificate.*

It will feature two full days of webinars, talks, live Q&A sessions with careers experts and free careers advice, meaning students will be able to get information about the greatest range of courses, apprenticeships and and jobs on offer from the comfort of their own classroom or home via laptop, tablet or smartphone.
